UNITED STATES INTELLIGENCE BOARD  
COMMITTEE ON DOCUMENTATION

MEMORANDUM FOR: Chairman, United States Intelligence Board

SUBJECT: Revision of USIB Policy Paper on Information Release  
to Contractors

REFERENCE: USIB-D-39.5/19, 26 August 1963 (Final-USIB Approved)

1. The DIA member of the Committee on Documentation noted that the exclusion of military command reports and documents from the provisions of referenced paper (see Footnote 2 of reference) requires considerable correspondence with resultant time waste. He proposed, and at its 63<sup>rd</sup> Meeting CODIB agreed, that Footnote 2 be revised. At the same meeting, the NSA member agreed that NSA reports and intelligence should be included.

2. The Committee on Documentation requests, therefore, that Footnote 2 of referenced paper be revised, to read as follows:

"This directive deals solely with intelligence, which, for purposes of this directive, is defined as information reports and intelligence produced and disseminated by CIA, INR/State, DIA, NSA, ACSI/Army, ONI, ACSI/Air Force, the AEC and the military commands. This specifically excludes Foreign Service reporting. Permission to release Foreign Service reporting must be obtained from the Department of State."

MEMORANDUM FOR: Executive Secretary, USIB

SUBJECT : NSA Comment on USIB-D-39.5/20

The Chairman, Committee on Documentation, has reviewed the proposed NSA modification to Footnote 2 of USIB-D-39.5/19, and believes that it is entirely consistent with the CODIB recommendation and with the body of the basic policy paper itself. He sees no objection to the NSA wording, and suggests that it be circulated to other USIB members for approval by vote sheet action. He does not believe it necessary to seek formal CODIB approval of the proposed wording prior to USIB vote sheet action.
